1972 Feed Grain, Wheat and Cotton Set-aside Program Percent Planted is of Base

United States and by States

	<u>Page</u>	<u>Page</u>
Feed Grain Farms participating.....	2-50	Corn Farms participating..... 388-436
Minimum set-aside only.....	51-99	Grain Sorghum Farms participating.... 437-482
Alternative A only.....	100-148	Corn and/or Grain Sorghum Farms participating..... 483-531
Alternative A and having addi- tional with no optional set- aside acreage.....	149-197	Barley Farms participating..... 532-576
Alternative A and having addi- tional set-aside acreage plus optional set-aside acreage of either 5% or 10%.....	198-246	Wheat Farms participating..... 577-623
Alternative B only.....	247-295	Cotton Farms participating..... 624-644
Alternative B and having addi- tional with no optional set- aside acreage.....	296-341	
Alternative B and having addi- tional set-aside acreage plus optional set-aside acreage of 5%.....	342-387
